Payments are accepted via cash, check, and credit card. These options are available to all students.

04/03/2023: The following replaces the information found on page 5, Requirements for Admission

Application

Each applicant will be required to submit a completed application. The necessary documents (enrollment agreement, prerequisites, etc.) are all delivered digitally when prospective students begin the registration process on our website. For assistance with completing the application, students may contact the school during regular business hours or refer to our website at: www.Wizardeducation.com.

At the time of admission, applicants must provide their residential address (physical location) which will be verified by cross-referencing against a government-issued ID. Students are required to inform the school if their residential address changes at any time during the program.
